Transforming Lives Through Inclusive Financial Solutions

Who We Are

Legacy Africa Microfinance Ltd is a values-driven microfinance institution committed to expanding access to affordable financial services for entrepreneurs, farmers, youth and underserved communities across Kenya. We blend modern digital finance with the trust and accountability of community-based lending.

Our Mission

To empower communities with inclusive, responsible financial solutions that build lasting prosperity.

Our Vision

To be Africa's most trusted partner in inclusive finance and community transformation.

What We Offer

- **Affordable Microloans** — accessible credit for underserved communities.
- **SME Financing** — working capital and asset finance to grow enterprises.
- **Group Lending** — community-backed loans with no traditional collateral.
- **Agricultural Financing** — seasonal funding aligned to harvest cycles.
- **Financial Literacy & Advisory** — training and business mentorship.
- **Digital Finance** — mobile onboarding and data-driven credit access.
